## I WANTED YOU TO QUACK A SMILE...

...so I bought you some fluffy **ducklings**, 220 to be exact! In the Philippines, families living in poverty are able to sell duck eggs for use in cooking. Forget putting all your eggs in one basket, the income generated from these feathered friends can help pay for food, sanitation and school fees. Egg-cellent!

OPPORTUNITY  
International  
AUSTRALIA

I GOT YOU  
**SOMETHING  
BIGGER!**

By giving families a hand up out of poverty with this **Something Bigger** gift from Opportunity International Australia, you're helping them transform their lives, their children's futures and their communities.
