## **YOU'VE HELPED THIS PIGGY COME HOME**

They're cute and cuddly, but piglets also provide a common source of income for people living in poverty in the Philippines. Once they're grown, families can breed the pigs to start a small farm, using the income it earns to put food on the table and send their children to school. Now that's a pig that's sure to fly!

OPPORTUNITY  
International  
AUSTRALIA

I GOT YOU  
**SOMETHING  
BIGGER!**

By giving families a hand up out of poverty with this **Something Bigger** gift from Opportunity International Australia, you're helping them transform their lives, their children's futures and their communities.
