

Worship Room Instructions and Map (Phase 1)

Worship Center

If you are registered for the Worship Center, please plan on arriving 15 minutes early to allow time for everyone to be seated before the service begins. You will enter and exit the building using Door #11.

Your best parking option is the Lorcom Lane lot or the fence side of the back parking lot. Those with disabilities may park on the upper lot closest to the Commons. As you approach the entrance, please adhere to the 6-foot spacing markers placed along the sidewalk and into the Commons. There will be hand sanitizer stations as you enter the building. You will be checked in and shown to a seat that will accommodate you and anyone else in your family. Please cooperate with the seat assignment and remain seated so we can include as many as possible, staying within safety guidelines. Feel free to wave or chat with each other from your assigned seat location.

There will be no bulletins distributed; we encourage you to print one out from our website at home. There also will be no offering plate passed; we encourage you to give online, or there will be an offering box located near the Worship Center exit. Please bring your own Bible and writing materials, and face covering. As a reminder, everyone five years and older are required to wear face coverings, unless you have a medical reason not to wear one. If you forget your face covering, we will have some available. The bathrooms assigned to this location are those in the Commons. Parents with restless children may take them to the Commons where the service will be livestreamed. Please help us maintain complete separation between the three worship rooms by not walking between rooms through other parts of the building.

Immediately following the service, you will exit back through the Commons and door #11 or #12. We ask that you represent Cherrydale Baptist Church well to our neighbors by wearing face coverings and maintaining physical distance as you move toward your cars. Those with disabilities may exit the building using the ramp in the Commons to return to your vehicle on the upper lot.
