When do I schedule my rides?

- Rides must be scheduled before **11:00am at least two business days in advance of your appointment**
- Rides for the following month will start to be scheduled during the last week of the current month (e.g. if you have appointments for May, we will begin taking appointment requests the last week of April).

Note: Chatham Transit's hours of operation are **5:30am-5:30pm** which means your pick-up/return needs to fall between those hours.

*****We only offer about 75 rides per month on a first-come, first-served basis. Please make your appointments as early as possible to ensure a spot on the calendar.*****

What if I need to cancel?

- Cancellations under 24 hours of appointment should be made by first calling Chatham Transit at (919) 542-5136. Please then call the Council on Aging and inform us of your cancellation so that we may either reschedule your transportation or give your slot to another client.
- Cancellations over 24 hours in advance of appointments should be made by calling the Council on Aging.

If rider does not notify Chatham Transit or us and Chatham Transit arrives to pick you up, the Council on Aging is charged the full price (not the voucher price) for the trip. Two missed trips will mean a temporary suspension from the program for 30 days.

Will anyone call to confirm my ride?

The Council on Aging will call all riders before noon the business day prior to their appointment to confirm. If you haven't heard from us, then you are not scheduled and you should call us *immediately!*

What do I do if the Council on Aging doesn't have any more rides available for the month?

- You may call Chatham Transit at 919-542-5136. Ask them how much your ride will cost and if they have any reduced rate programs you may qualify for. Ask for Anna Testerman.
- For your convenience, travel cards may be purchased from Chatham Transit for additional rides outside of what the Council on Aging provides. With these cards, a discount is provided to clients for purchasing several rides at once.
- Chatham Transit also provides fixed routes going to UNC Hospitals and other popular destinations
- Please contact **Chatham Transit** for more information **919-542-5136**.
