

Where Science and Natural Remedies Meet®

Discover all-natural, patented, and physician-recommended oral dietary supplements which may promote harmony between body and mind.

Why We Created Algonot

The Algonot Family of Nutraceuticals are intended for individuals with unique dietary requirements and sensitivities. The greatest consideration is taken in the selection and exclusion of ingredients in our formulations for the benefit of our customers.

Meeting our customer's needs for purity, safety and label honesty is our priority. Independent laboratory testing certifies and assures that our ingredients and final product is exactly as our label states.

Scientific Formulation

The exclusive olive pomace extract that is distinctive to our formulations is used for the greatest absorption of key ingredients. The unique, patented formulas behind Algonot's family of nutraceuticals are predicated on published research. These formulas were created with the guidance of internationally acclaimed physician scientists.

Independent laboratory testing certifies and assures that our ingredients are pure, safe, and in proper proportions.

Pure Ingredients

Berberine: Supports brain health and immune function. Helps prevent oxidation damage in the brain, inhibits enzymes which breakdown important memory molecules, reduces peptides that interfere with memory function, and lowers lipids that interfere with cerebral blood flow. *Found in: BrainGain®*

Biotin: A B-complex vitamin which supports cell growth and proper metabolism of essential fatty acids. Supports healthy function of brain neurons, gastrointestinal function, and may promote a healthy gut flora. *Found in: BrainGain®*

Carnitine: Promotes energy production, lessens fatigue and improves mental health. *Found in: BrainGain®*

Coenzyme Q10: Helps convert food to energy and may be important to cognitive and nervous system health. It is an antioxidant and may reduce fatigue. *Found in: FibroProtek®*

Folinic Acid: Known to support cognitive function and the production of new brain cells. *Found in: BrainGain®*

Hydroxytyrosol: Believed to be the most powerful antioxidant. Considerable evidence shows it promotes cognitive function and memory. *Found in: BrainGain®*

Luteolin: A naturally occurring molecule known as flavonoid. An antioxidant that reduces free radicals and promotes inhibition of mast cell and microglial activation, which is involved in brain inflammation. *Found in: BrainGain®, FibroProtek®, NeuroProtek®, NeuroProtek LP®*

Olive Kernel Extract: The natural, unprocessed, low- acidic extract of the olive fruit. Rich in antioxidants, it promotes healthier brain and cardiac function, and substantially increases the absorbability of all our ingredients. *Found in: our complete line of products*

Quercetin: A naturally occurring flavonoid. Supports the body in inhibiting the release of inflammatory molecules (IL-6 & TNF), blocks oxidative stress and mast cell activation. Use of the combination of Quercetin and Luteolin provide greater benefit. *Found in: Algonot Plus®, ArthroSoft®, CystoProtek®, FibroProtek®, NeuroProtek®, NeuroProtek LP®*

Rutin: The natural glycoside of Quercetin. Helps to liberate Quercetin in the intestine, allowing the promotion of benefit in the gut. *Found in: CystoProtek®, NeuroProtek®, NeuroProtek LP®*

Selenium: Supports normal development and protection of brain cells. *Found in: BrainGain®*

Sodium Hyaluronate: A natural complex sugar of the glycosaminoglycan family. Like Chondroitin Sulfate, it is a main component of the protective tissues in the bladder, joints, and prostate. *Found in: CystoProtek®, ProstaProtek®*

BRAINGAIN®

May promote cognitive function, clarity, focus and mental sharpness. It may alleviate the symptoms of brain fog. Don't settle in the haze – get the vitamins and nutrients you may need with BrainGain®.*

90 Gelcaps

CYSTOPROTEK®

May help promote bladder health and support the protective layer of the bladder. Our natural ingredients may help to replenish the glycosaminoglycan layer.* Regain your freedom. Licensed for international sales only.

120 Gelcaps

FIBROPROTEK®

May promote neuromuscular harmony between body and mind, helping the body to repair the cells that cause distress.* Ease trigger points and body discomfort with our exclusive combination of ingredients and nutrients.

90 Gelcaps

GENTLEDERM®

Hydrates, nourishes and soothes. GentleDerm® uses an exclusive combination of natural ingredients, such as honey, olive fruit and oregano oils, that may rejuvenate your skin and reduce skin sensitivities.*

2 Ounces

NEUROPROTEK®

May promote harmony in the mind and body. Our combination of flavonoids may help decrease chronic gut inflammation, protect against neuronal damage, and improve brain function.*

60 Gelcaps

NEUROPROTEK - LP®

Contains a combination of flavonoids containing lower amounts of Quercetin and Rutin (known to be high in phenols) than our original formula. This supplement may suit individuals who seek the same benefits of NeuroProtek® but with fewer phenols.

60 Gelcaps

PURELUT®

Contains pure Luteolin, which may help the body fight against oxidative stress (production of free radicals), inflammation and mitochondrial dysfunction. It may also give outstanding support for brain health and against mitochondrial aging.*

60 Gelcaps

**THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FDA. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE.*

Research Commitment

Diligent research and attention are put into the source and purity of each of our key ingredients.
