

Giving You the Power
to Take Control of
Your Healthcare Journey

A comprehensive care planning and tracking platform for patients, caregivers and healthcare professionals

To sign up visit
www.mitoaction.org/mobile

MitoAction Mobile allows you to take control of your journey with mitochondrial disease and manage every aspect of your day-to-day with Mito while providing vital patient reported data about living with this rare disease. Features include:

- Upload Health Records to Organize & Share
- Symptom Tracking
- Medication Tracking
- Activity Tracking
- Vital Tracking
- Care Task Tracking
- Analytical Reporting
- Appointment Management
- Real-Time Data Sharing with Care Providers
- Upload Photos and Videos
- Office & Emergency Room Visit Summaries
- HIPAA Compliant

PROVIDING SUPPORT & HOPE EVERY STEP OF YOUR JOURNEY

SUPPORT

Providing families, patients and caregivers opportunities to connect with others who share common experiences with Mito.

EDUCATE

Increasing the understanding of Mito by providing access to the most up-to-date and accurate information available, helping those affected live their best life despite their diagnosis.

ADVOCATE

Empowering the Mito community with the tools needed to let their voices be heard for their individual healthcare needs.

PROGRAMS & RESOURCES

Mito411

Receive “live” one-on-one support from those who understand your journey with Mito. Call 1-888-MITO-411 or email mito411@mitoaction.org

MitoAction Mobile

Manage your day-to-day with Mito, track symptoms, medications, appointments, communicate and collaborate with your care team and help clinicians learn more about mitochondrial disease.

Weekly Support Groups

Join families, patients and caregivers for our weekly teleconferences to share with one another and make connections with others dealing with the challenges of Mito.

Monthly Expert Series

Gain knowledge from our guest speakers on topics important to the Mito community. A complete library of these presentations is available on our website.

Patient Education Forums

These live events held across the country bring the clinical experts to you! Join us to learn about recent developments in mitochondrial disease diagnosis, treatment and research, and meet other families from your local community.

Physicians List

This list can help guide you to a Mito specialist in your area.

Protocols for Mito Patients

Sample protocols that you can share with your physician and customize specifically for the mito patient, in the event of an illness or emergency.

“Energy 4 Education”

Our comprehensive DVD and school advocacy materials can be shared with teachers, friends, and family.

New Patient Kits

Overwhelmed as you try to learn as much as you can about mitochondrial disease? Our New Patient Kits are designed to provide a detailed overview of diagnosis, treatment, symptoms, living day-to-day and more.

MitoSocials & Playdates

Connect with other patients, families and caregivers in your local community to develop a circle of support close to home.

MitoAction Memories

Support for those who have lost a loved one to Mito.

Energy in Action Podcast

Join MitoAction for conversations with patients, families, researchers and thought leaders in the mitochondrial disease community.

Marcel’s Way Family Fund

Offers financial support to help ease the burden for those affected by Mito.

Matthew Harty Camper Fund

This fund allows children with Mito and their families to attend summer camp, and awards scholarships to high school graduates with mito pursuing their college degree.

MomVocates

A safe place where Mito Mom’s can share the real ups and downs of living day to day with mito. MomVocates support, advocate and educate for the entire Mito community.

MitoChampions

Our volunteer leaders who are instrumental in raising awareness of Mito, providing hope to others affected by the disease and being a voice for the entire Mito community.

Advocacy

Be prepared to face non-medical issues with information and community resources to support you and your family.
