Leach International (Cage Code: 58657) hereby certifies that the above item has been produced in compliance with the AS9100 certified Leach International Quality Assurance System. All processes and material used in the manufacture of the above item conforms to the specification or drawing requirements as set forth in the referenced Purchase Order and the item has been functionally tested for compliance to the same. All necessary records, including chemical and physical test reports where applicable, are maintained on file for a minimum of ten (10) years, unless otherwise specified in the Purchase Order, and will be made available for examination upon request. We also certify the item is free of functional mercury and all reasonable steps have been taken to assure that the item is not contaminated with metallic mercury or mercury compounds. This certification of compliance applies only to the above item and quantities specified hereon.
