

PRODUCT SPECIFICATIONS

GetFit StandUp[®] Mat

Product Number 4443 (Fabric top)

Product Number 4448 (Designer top)

Product Number 4447 (Rubber top)

Surface (3 options)

- Fabric Top
 - Material: 14-ounce/yd² needle-punched, solution-dyed PET molded to nitrile rubber
 - Color: 6 options
- Designer Top
 - Material: Woven PVC
 - Color: Tan herringbone or grey herringbone
- Rubber Top
 - Material: Nitrile rubber
 - Color: Black

Cushion: Closed-cell nitrile rubber/PVC-blended foam

Overall Mat Thickness: 5/8 inch (0.625")

Standards & Testing

- Passes flammability standard DOC-FF-1-70
- Flammability: FMVSS302-0 burn (pass)
- Passes AATCC test method 134-1991 electrostatic propensity of carpets
- ASTM static coefficient of friction:
 - Dry: 0.71
 - Wet: 0.70
- Water Absorption: ASTM D 1667 (0.01 lb/ft² maximum)
- Temperature Use: ASTM D 1056
 - Cold Crack: -20° F
 - High: 200° F intermittent exposure

Additional Key Features

- Fade resistant
- Anti-static (fabric top only)
- Grease and oil resistant (rubber top only)

- Chemical resistant (rubber top only)
- Anti-microbial treatment for lifetime protection from odors and degradation (rubber top only)
- Welding safe (rubber top only)
- ESD rating of electrically conductive (rubber top only)
