

# Waterhog™ Diamond Classic and Fashion

- Durable polypropylene surface is suitable for indoor or outdoor use.
- "Water Dam" border is designed to hold dirt and moisture. Borders available in rubber or fashion fabric.
- Raised ridges trap dirt and moisture below foot level and are resistant to crushing.
- Highly absorbent fabric allows mats to hold up to 1.5 gallons of water per square yard.

Indoor/Outdoor | Dust Control  
Non-Launderable
