SURESTRIDE™ PLUSH

INDOOR/SLIP-RESISTANT

**FREE
CUTTING
KNIFE with
Each Roll!**

Tacki Back

- Surface is Certified High Traction by the National Floor Safety Institute which provides a safe walking surface
- Very low profile reduces tripping hazard
- Tacki Back adhesive system keeps mats flat and in place – even with wheelchair, cart and buggy traffic
- Attractive anti-microbial treated carpet surface compliments building interiors
- Moisture barrier keeps liquids from soaking through to the floor
- Mat constructed from durable post-consumer recycled PET fabric and is easy to clean
- Quick and easy to install. Cut individual mats as needed from roll.
- Will Perform 3 to 6 months under normal use
- Recommended for commercial use on hard floor surfaces, including entrances, to prevent slips, trips and falls caused by wet floors

DISCLAIMER: The customer accepts responsibility in the event that the adhesive backing transfers onto the floor. The water soluble adhesive can be easily removed with soap, water and a brush. SureStride Plush mats should be replaced if they show signs of wear or damage and should always be changed out within 3 to 6 months to guard against adhesive transfer to the floor.
