

HOW WIC HELPS THE MUSCOGEE CREEK NATION

MISSION OF WIC

To assure healthy pregnancies, healthy birth outcomes and healthy growth and development for women, infants and children up to age 5 who are at nutrition risk, by providing nutritious foods to supplement diets, information and education on healthy eating, and referrals to health care and critical social services.

FROM OUR PARTICIPANTS

"The MCN WIC Program helped me when I found out I was pregnant. All through my pregnancy I was given information about how to take care of my body through proper nutrition to support my unborn child's health. The breastfeeding counselor talked to me about breastfeeding and gave me helpful tips on how to breastfeed right after giving birth. When I took the baby into the office, everyone was so helpful and friendly. I still enjoy our WIC appointments."
