**FROM OUR PARTICIPANTS**

"Since rolling out eWIC, vendors have commented that eWIC is easier and faster than paper checks. They really like this from a customer service standpoint."

**WIC VENDOR, IOWA**

"My husband lost his job and has had his salary cut at his new job so our budget is limited. Through our WIC benefits I am able to supplement our grocery budget, buy fruits and vegetables that would otherwise be over our budget, and provide my family with much needed stable items. We also received knowledge and support about any feeding issues that may arise. WIC services have been an answer to our prayers and a much appreciated financial support during our time of need."
