# Welcome to NWA!

The National WIC Association (NWA) provides its members with tools and leadership to expand and sustain effective nutrition services for mothers and young children.

Our Vision is a nation of healthier women, children, and their families.

The National WIC Association (NWA) is the non-profit education arm and advocacy voice of the Special Supplemental Nutrition Program for Women, Infants and Children (WIC), the over 7 million mothers and young children served by WIC and the 12,000 service provider Agencies who are the front lines of WIC's public health nutrition services for the nation's nutritionally at-risk mothers and young children.
