SUBJECT: NWA Annual Education and Networking Conference

Dear WIC State Agency Director:

As you know, the National WIC Association (NWA) will hold its annual Education and Networking Conference April 7 – 10, 2019 in Baltimore, Maryland. The 2019 conference will host 30 plenary sessions and concurrent sessions to choose from to expand your professional skills and knowledge base.

This meeting is an excellent opportunity for you and your staff to network, share, and learn about current requirements as well as successful practices in improving access and services to WIC participants. I hope that you will give serious consideration to attending this conference. WIC Program funds may be used to fund your travel expenses and registration fees.

Additional information regarding registration/accommodations and a tentative agenda are available at https://www.nwica.org/events/info/2019-annual-education-and-training-conference-exhibits#tab_eid-54-hotel-transportation

If you have any questions, please contact your FNS Regional Office.

Sincerely,

Sarah Widor
Director
Supplemental Food Programs Division
