

AYTTO TABLE TENNIS

OUTDOOR TOURNAMENT

5/25 SATURDAY

This event is a fundraiser for the Public School Athletic League (PSAL) Assistant Coaching program. Table Tennis has been a PSAL sport for 5 years. It has grown from 17 teams and 255 athletes to 64 teams and 960 athletes. We would like your help to continue to grow table tennis as a sport in New York City.

You will choose which high school athletes will represent your company based on their 2018-2019 season records.
