

## Municipal Dust Ordinances

In 2007, at the direction of the Federal Environmental Protection Agency, the Arizona Legislature passed Senate Bill 1552 that created new laws pertaining to dust and dust creation.

A portion of 1552 required all municipalities in Maricopa County, specifically those in Area A, to pass specific dust ordinances spelled out in the legislation.

S.B. 1552 – Requires all municipalities in Area A to adopt, implement and enforce ordinances that prohibit the operation of any vehicle, including an off-highway vehicle, all-terrain vehicle or an off-road recreational motor vehicle on an unpaved surface that is not a public or private road, street or lawful easement and that is closed by the land owner by rule regulation or federal agency, this state, a county or municipality or by proper posting if the land is private land. (ARS § 9-500.27 A.)

22 Cities and Towns lie in Area A, their dust ordinances and non-emergency police department or City/Town Clerk numbers are listed below:
