If the kill is reported by telephone, the report shall include the name of the hunter, the hunter's tag number, the sex of the bison taken, the number of days hunted, and a telephone number where the hunter can be reached for additional information (R12-4-306).

BISON BAG LIMIT: One (1) bison in a lifetime except as prescribed in R12-4-120.

HOUSE ROCK BISON HUNT SPECIAL NOTE: During the House Rock herd hunts, a significant portion of the herd has moved to the Grand Canyon National Park where hunting is not allowed. Hunters are advised that their ability to successfully harvest a bison may be significantly impacted. As with any hunt, circumstances beyond the control of the Arizona Game and Fish Department may prevent the permit holder from being successful. The Arizona Game and Fish Department and Commission disclaims any responsibility to reissue or replace a permit, to reinstate bonus points, to refund any fees, or to provide any other form of relief.

The House Rock bison hunt is considered to be one of the most difficult hunts in the state. Bison can be difficult to locate. Plan on spending the entire season hunting, as an abbreviated hunt will lower your chances of success. Bison hunters must dress and care for their own animals; the Department will not assist. Take time to improve your physical condition. Hunters are often required to walk considerable distances (up to 8 miles) every day over rugged terrain. House Rock hunters should be prepared for remote and primitive conditions.

High clearance or four-wheel drive vehicles are recommended. Some portions of House Rock herd area are included in the U.S. Forest Service wilderness system that does not preclude hunter access but does limit their means of transportation and equipment usage. Hunts occurring later in the fall may be affected by snow making access more difficult. Hunters should be prepared for severe winter conditions and low availability of bison. For more information, call the Flagstaff Regional Office at 928-774-5045.

BISON SPECIAL REGULATIONS: Bison meat taken under this Order may be sold as prescribed in R12-4-305. SEE BISON HUNT REGULATIONS UNDER R12-4-306.

MOUNTAIN LION SPECIAL REGULATION: As prescribed in R12-4-308, all hunters must contact an Arizona Game and Fish Department office in person or by telephone at 1-800-970-BEAR (2327) within 48 hours of taking a mountain lion. The report shall include the hunter's name, hunting license number, tag number, sex of the lion taken, management unit where the lion was taken, and telephone number at which the hunter can be reached to obtain additional information. Within 10 days of taking a lion, the hunter (or their designee) shall present the lion's skull and hide with attached proof of sex to a designated Arizona Game and Fish Department employee for inspection (pursuant to R12-4-308). If the skull is frozen, it should be defrosted prior to presenting for inspection as a premolar tooth will be removed from the lion. If the hide is frozen, ensure that the attached proof of sex is accessible and identifiable. Successful hunters are encouraged to contact the nearest Department office by telephone to coordinate inspections.

MOUNTAIN LION SPECIAL NOTE: In accordance with R12-4-305(H), an individual may retain the carcass of a lion taken under ARS 17-302 when the season is closed.

MOUNTAIN LION SPECIAL NOTE: Hunters may encounter mountain lions wearing radio collars around Flagstaff, Prescott, Payson, Tucson, and western Maricopa County. The lions instrumented with these collars are part of several ongoing research projects. The collars are used to track lion movements as researchers try to learn how the lions use various habitat types and urban interface areas. The longevity of these lions is important to the ongoing research, and data collected will help to improve Arizona's management of lions in the future. If you would like more information about any of these research efforts please contact the Arizona Game and Fish Department Research Branch at (623) 236-7247. Also, if one of these animals is harvested, the hunter is asked to return the collar, as well as any other marking device, such as an ear tag, to a Department office or officer when doing the required physical check-in of the carcass parts.
