

# Olympic Steel Names Leah Kiley General Manager

CLEVELAND - **Olympic Steel Inc. (Nasdaq: ZEUS)**, a leading national metals service center, today announced the promotion of Leah M. Kiley to the role of General Manager for the Company's Minneapolis, Minnesota, plate processing facility.

Ms. Kiley will lead day-to-day operations with primary profit and loss responsibility for the facility. She will report to Thomas J. Sacco, Vice President - Central Region.

"Leah has been instrumental in the commercial success and continued growth of our Midwest territories," said David J. Gea, President - Carbon Flat Rolled. "She is a driven leader focused on creating mutually beneficial customer partnerships that will support the continued safe, profitable and sustainable success of the organization."

Ms. Kiley began her career with Olympic Steel in 2012. She has held roles of increasing commercial responsibility throughout her time with the Company, most recently serving as Regional Sales Manager.

Ms. Kiley earned a bachelor's degree in communications with minors in business and psychology from the University of Minnesota - Duluth.

## About Olympic Steel

Founded in 1954, Olympic Steel is a leading U.S. metals service center focused on the direct sale of processed carbon, coated and stainless flat-rolled sheet, coil and plate steel, aluminum, tin plate, and metal-intensive branded products. The Company's CTI subsidiary is a leading distributor of steel tubing, bar, pipe, valves and fittings, and fabricator of value-added parts and components. Headquartered in Cleveland, Ohio, Olympic Steel operates from more than 44 facilities in North America.
