

# Elite Pharmaceuticals Announces Filing of Abbreviated New Drug Application with the U.S. Food and Drug Administration for Generic Anticoagulant Product

Release: 6/1/2026 7:00:00 AM

Northvale, New Jersey--(Newsfile Corp. - June 1, 2026) - Elite Pharmaceuticals, Inc. (OTCQB: ELTP) ("Elite" or the "Company"), a specialty pharmaceutical company engaged in the development, manufacture, and distribution of niche generic products, today announced that it has submitted an Abbreviated New Drug Application (ANDA) to the U.S. Food and Drug Administration (FDA) for a generic drug product in the class of medications called anticoagulants.

IQVIA reported branded product sales for the twelve months ending March 2026 of \$26 billion. There is no generic product on the market, and the brand has unexpired patents and exclusivity listed in the FDA's Approved Drug Products with Therapeutic Equivalence (Orange Book). FDA approval and commercialization of a generic product depend on successful filing, FDA approval and addressing the unexpired patents and exclusivities.

## **About Elite Pharmaceuticals, Inc.**

Elite Pharmaceuticals, Inc. is a specialty pharmaceutical company that develops, manufactures, and distributes niche generic products. Elite's product lines consist of immediate-release and controlled-release, solid oral dose products, which are marketed under the Elite Laboratories label, as well as pursuant to licenses granted to third-party pharmaceutical marketing and distribution organizations. Elite operates a cGMP and DEA registered facility for research, development, and manufacturing located in Northvale, NJ.
