

## Kopin CEO to Speak at American Physical Society Meeting

### Dr. John Fan to Discuss Entrepreneurship and Developing a Successful, Sustainable Business

[Kopin Corporation](#) (NASDAQ:KOPN), a global pioneer in wearable AR and VR technologies for government, enterprise, professional sports and consumer markets, today announced that its Chief Executive Officer, Dr. John C.C. Fan, has been invited to discuss entrepreneurship at the upcoming American Physical Society March Meeting. Scheduled to be held at the Boston Convention Center from March 5-8, 2019, the meeting is the largest gathering of physicists in the country, with 12,000 attendees expected.

Dr. Fan will speak on March 7 at 1:30pm, which will be followed by a panel discussion. Dr. Fan's comments will include a brief history of Kopin Corporation's development from its founding as a nanotechnology company over 30 years ago to its current position as a leader in the wearables market. The discussion will focus on entrepreneurship and how to improve your odds of success.

### About Kopin

Kopin Corporation is a leading developer and provider of innovative wearable technologies and critical components for integration into wearable computing systems for military, industrial and consumer products. Kopin's technology portfolio includes ultra-small displays, optics, speech enhancement technology, voice-interface and hands-free control software, low-power ASICs, and ergonomically designed smart headset reference systems. Kopin's proprietary components and technology are protected by more than 300 global patents and patents pending. For more information, please visit Kopin's website at [www.kopin.com](http://www.kopin.com).

Kopin is a trademark of Kopin Corporation.
