Jupiter Wellness Announces Application for Dual Listing on Upstream

JUPITER, FL / ACCESSWIRE / September 29, 2022 / Jupiter Wellness, Inc. (Nasdaq:JUPW), a wellness company focused on hair loss, eczema, burns, and sexual wellness announced that it has begun the application process to dual list its shares on Upstream, the revolutionary trading app for digital securities and NFTs powered by Horizon Fintex ("Horizon") and MERJ Exchange Limited ("MERJ").

The planned dual listing on Upstream is designed to provide Jupiter Wellness the opportunity to access a global, digital-first investor base that can trade using USDC digital currency along with credit, debit, PayPal, and USD, unlocking liquidity and enhancing price discovery while globalizing the opportunity to invest in NASDAQ-listed Jupiter Wellness.

Speaking about the application to list on Upstream, Brian John, CEO of Jupiter Wellness, said, "We are always looking for ways to provide greater liquidity and value to our shareholders. We see a dual listing on Upstream as being an excellent way to reach a worldwide market of potential new investors who can learn about our Company, our recently announced shift in focus, and all the exciting things we are working on."

Approval to be listed on Upstream is subject to acceptance by MERJ. However, as an existing NASDAQ issuer, the listing standards to which Jupiter Wellness adheres are sufficient to comply with MERJ Listing Rules, including but not limited to disclosure, filing, and notification requirements.
