SCOTTSDALE, AZ, June 13, 2025 (GLOBE NEWSWIRE) -- Safety Shot, Inc. (Nasdaq: SHOT) ("Safety Shot" or the "Company"), a wellness and dietary supplement company, today announced that a majority of its shareholders have voted by a majority to approve the proposed acquisition of Yerbaé Brands Corp. (TSX-V: YERB.U) ("Yerbaé"), a plant-based functional beverage company.

The approval was obtained at Safety Shot's Special Meeting of Stockholders held earlier yesterday. Following the completion of the merger, which is expected to occur next week, the combined company will continue to operate under the name Safety Shot, Inc., and its common stock will continue to trade on The Nasdaq Capital Market under the ticker symbol "SHOT". Upon closing, Yerbaé's shares will be delisted from the TSX Venture Exchange.

Jarrett Boon, Chief Executive Officer of Safety Shot, stated, "On behalf of Safety Shot's Board of Directors, I want to extend our sincere gratitude to our stockholders for their overwhelming support and majority approval of this transformative acquisition. This vote marks a pivotal milestone and is a testament to the significant strategic value and growth potential that the combination of Safety Shot and Yerbaé represents. We are thrilled to move forward with satisfying the final closing conditions and look forward to welcoming the Yerbaé team and completing the transaction next week."

As previously announced on January 8, 2025, the acquisition brings together Safety Shot's innovative wellness solutions, including its patented Sure Shot™ rapid alcohol reducer product, with Yerbaé's popular and growing line of plant-based, zero-sugar, zero-calorie energy beverages. The combination is expected to create a powerful force in the functional beverage market by leveraging Yerbaé's robust retail and distribution network to accelerate the growth of both brands.

The Company will announce further details upon the formal completion of the merger.

The final voting results from the Special Meeting of Stockholders will be made available in a Current Report on Form 8-K to be filed by the Company with the U.S. Securities and Exchange Commission.
