The Company expects to begin trading on the Nasdaq on Wednesday, September 1, 2021 under the symbol "LWLG". The Company's common shares will continue to trade on the OTCQX until market close on August 31, 2021.

"We are thrilled to announce the listing of our shares on the Nasdaq, representing a monumental milestone for Lightwave Logic and its valued shareholders," said Dr. Michael Lebby, Chief Executive Officer of Lightwave Logic. "I believe that a Nasdaq listing will help to expand our potential shareholder base, improve liquidity, elevate our public profile within the industry and ultimately enhance shareholder value."

"We continue to advance towards our goal of mass commercialization, furthering our efforts with tier-1 potential customers currently evaluating our technology under NDA. We look forward to continued innovation and further growing the prominence of the Lightwave Logic brand as we share our story with a wider audience of investors," concluded Lebby.

About Lightwave Logic, Inc.

Lightwave Logic, Inc. (OTCQX: LWLG) is developing a platform leveraging its proprietary engineered electro-optic (EO) polymers to transmit data at higher speeds with less power. The Company's high-activity and high-stability organic polymers allow Lightwave Logic to create next-generation photonic EO devices, which convert data from electrical signals into optical signals, for applications in data communications and telecommunications markets.
