Safe Harbor Statement

This press release does not constitute an offer to sell or a solicitation of offers to buy any securities of any entity. This press release may contain certain forward-looking statements based on our current expectations, forecasts and assumptions that involve risks and uncertainties. Forward-looking statements, if provided, are based on information available to the Company as of the date hereof. Our actual results may differ materially from those stated or implied in such forward-looking statements, due to risks and uncertainties associated with our business. Forward-looking statements, if provided, include statements regarding our expectations, beliefs, intentions, or strategies regarding the future and can be identified by forward-looking words such as "anticipate," "believe," "view," "could," "estimate," "expect," "intend," "may," "should," and "would" or similar words. All forecasts, if provided, are based on information available at this time and management expects that internal projections and expectations may change over time. In addition, any forecasts, if provided, are entirely on management's best estimate of our future financial performance given our current contracts, current backlog of opportunities and conversations with new and existing customers about our products and services. We assume no obligation to update the information included in this press release, whether as a result of new information, future events or otherwise.
