

Brightline Interactive to Attend the 2026 Maxim Growth Summit

ASHBURN, VA / [ACCESS Newswire](#) / October 12, 2026 / Brightline Interactive, Inc. (Nasdaq:BTLN) ("Brightline" or the "Company"), the company building SpatialCore, an interoperability infrastructure platform for Physical AI, is excited to announce its participation in the upcoming 2026 Maxim Growth Summit, taking place from October 12th to 14th at The Hard Rock Hotel NYC. This prestigious event brings together industry leaders, innovators, and premier institutions to explore the latest trends and advancements across several industries.

Brightline Interactive will be meeting with institutional investors in one-on-one sessions and engaging with senior Maxim research analysts throughout the event.

Keynote speakers include Marcus Lemonis (co-owner of Camping World and executive chairman of Neighborhood Intelligence) and Eric Adams (former mayor of New York City). The conference will also feature roundtable discussions with CEOs from small- and mid-cap companies, moderated by Maxim research analysts. Roundtable discussions will cover a range of sectors, including biotechnology, artificial intelligence, quantum technology, digital assets, energy and mining, drones, and more.

This year, portions of the event will also be streamed online at <https://digital.maximgrp.com/>.
