Truth Social Looks to Integrate AI Functions

SARASOTA, Fla., July 16, 2025 (GLOBE NEWSWIRE) -- Trump Media and Technology Group Corp. (Nasdaq, NYSE Texas: DJT) ("Trump Media" or the "Company"), operator of the social media platform Truth Social, the streaming platform Truth+, and the FinTech brand Truth.Fi, announced today that the company has applied to register trademarks for "Truth Social AI" and "Truth Social AI Search."

The trademarks relate to a new Trump Media initiative to develop an artificial intelligence function to appear directly on the Truth Social platform.

Trump Media's CEO and Chairman Devin Nunes said, "Integrating AI into Truth Social will be a big push forward in our initiative to expand and enhance the platform, further developing the Truth Social ecosphere as a one-stop-shop for reliable information, non-woke news, and entertainment."

The AI feature is planned for integration into the Truth Social iOS and Android apps as well as on the Web.

Cautionary Statement About Forward-Looking Statements

This press release includes forward-looking statements regarding, among other things, the plans, strategies, and prospects, both business and financial, of Trump Media. We have based these forward-looking statements on our current expectations and projections about future events, including expected potential merger & acquisition activity, the rollout of products and features, our Bitcoin treasury strategy, the future plans, timing and potential success of the streaming services and the launch and success of our financial services and FinTech platform. Although we believe that our plans, intentions, and expectations reflected in or suggested by these forward-looking statements are reasonable, we cannot assure you that we will achieve or realize these plans, intentions, or expectations. Forward-looking statements are inherently subject to risks, uncertainties, and assumptions. Generally, statements that are not historical facts, including statements concerning possible or assumed future actions, business strategies, events, or results of operations, are forward-looking statements. These statements may be preceded by, followed by, or include the words "believes," "estimates," "expects," "projects," "forecasts," "may," "will," "should," "seeks," "plans," "scheduled," "anticipates," "soon," "goal," "intends," or similar expressions. Forward-looking statements are not guarantees of future performance, and involve risks, uncertainties and assumptions that may cause our actual results to differ materially from the expectations that we describe in our forward-looking statements. There may be events in the future that we are not accurately able to predict, or over which we have no control.

About Trump Media

The mission of Trump Media is to end Big Tech's assault on free speech by opening up the Internet and giving people their voices back. Trump Media operates Truth Social, a social media platform established as a safe harbor for free expression amid increasingly harsh censorship by Big Tech corporations, as well as Truth+, a TV streaming platform focusing on family-friendly live TV channels and on-demand content. Trump Media is also launching Truth.Fi, a financial services and FinTech brand incorporating America First investment vehicles.
