About Horizon Aircraft

Horizon Aircraft is an advanced aerospace engineering company that is developing one of the world's first hybrid eVTOL that is to be able to fly most of its mission exactly like a normal aircraft while offering industry-leading speed, range, and operational utility. Horizon's unique designs put the mission first and prioritize safety, performance, and utility. Horizon hopes to successfully complete testing and certification of its Cavorite X7 eVTOL quickly and then enter the market and service a broad spectrum of early use cases.
