Tie "James" Li, Chairman and Chief Executive Officer of Nature's Miracle, commented:

"Achieving approximately \$2.8 million in net income during the first quarter of 2026 represents an important milestone for Nature's Miracle as we continue transforming the Company into a diversified infrastructure and advanced manufacturing platform. We believe our strategic initiatives in AI infrastructure, drone manufacturing and controlled environment agriculture position us for long-term growth opportunities."

Strategic Expansion into Advanced Manufacturing

On May 21, 2026, Nature's Miracle announced that it entered into a Letter of Intent to acquire a 55% equity interest in CM Fabrication, LLC, CEA Studios and CM E-Commerce LLC.

The proposed transaction is expected to:

- Expand the Company's capabilities in U.S.-based drone manufacturing and precision fabrication
- Support growth opportunities in AI data center infrastructure, energy and horticulture industries
- Provide access to a 500,000-square-foot advanced manufacturing facility in Illinois
- Position the Company for future public market expansion opportunities

The target companies generated approximately \$8.6 million in revenue during fiscal year 2025 and are projected to achieve approximately \$18.2 million in revenue and \$3.6 million in EBITDA in 2026.
