

Check-Cap Advances MBody AI Merger; Reverse Share Split

ISFIYA, Israel, Aug. 11, 2026 (GLOBE NEWSWIRE) -- Check-Cap Ltd. ("Check-Cap" or the "Company") (NASDAQ: MBAI) today announced that the Company will implement a 1-for-7 reverse share split (the "Reverse Share Split") of the Company's ordinary shares on August 13, 2026, advancing its proposed merger ("Merger") with physical AI company, MBody AI Corp. ("MBody AI").

The Reverse Share Split is a proactive, shareholder-approved step taken in preparation for the closing of the proposed Merger and the combined company's initial listing application with Nasdaq. Currently, the Company is in compliance with all applicable Nasdaq continued listing standards. Completing the Reverse Share Split ahead of closing of the Merger positions the combined company to satisfy the \$4.00 minimum bid price standard that applies to its initial listing application with Nasdaq. The proposed Merger remains on track to close in the third quarter of 2026, subject to final Nasdaq approval and the satisfaction of the remaining customary closing conditions, none of which is assured.

The Company's Board of Directors approved the Reverse Share Split on July 31, 2026, and the Company obtained shareholder approval for the Reverse Share Split at its Annual General Meeting of Shareholders held on November 14, 2025.

The Company's ordinary shares will continue to trade on The Nasdaq Capital Market tier of The Nasdaq Stock Market LLC ("Nasdaq") under the symbol "MBAI" and will begin trading on a split-adjusted basis when the market opens on August 13, 2026. The new CUSIP number for the Company's ordinary shares following the Reverse Share Split will be M6S83C106.

The Reverse Share Split will adjust the number of issued and outstanding ordinary shares from approximately 9,463,062 shares to approximately 1,351,866 shares. Every seven (7) issued and outstanding ordinary shares of the Company as of the effective time of the Reverse Share Split will be consolidated into one (1) ordinary share.

No fractional shares will be issued in connection with the Reverse Share Split. All fractional shares will be rounded up to the nearest whole ordinary share. Equiniti Trust Company, LLC is acting as transfer and exchange agent for the Reverse Share Split. Registered shareholders are not required to take any action to receive post-Reverse Share Split shares. Shareholders who are holding their shares in electronic form at brokerage firms need not take any action as the effect of the Reverse Share Split will automatically be reflected in their brokerage accounts.

Additional information about the Reverse Share Split can be found in the Company's Reports on Form 6-K filed with the Securities and Exchange Commission (the "SEC") on September 12, 2025, November 4, 2025, November 17, 2025, and August 10, 2026, which are available free of charge at the SEC's website, www.sec.gov.
