

Datameds, AI., and Tollo Health Partner with the NFL Alumni Association for Health Lives Here National Campaign Rollout

Leading Healthcare IT Company and Former NFL Players Will Work Together to Provide Rural Communities Access to Telehealth and Pharmacy-based Services Through Health Lives Here Mobile App

TAMPA, FL / [ACCESS Newswire](#) / September 8, 2026 / [DataMeds AI, Inc.](#) (NASDAQ:MEDS) ("DataMeds AI," "DataMEDS," or the "Company"), a healthcare company leveraging its Health IT and physical infrastructure together with its artificial intelligence platform EinsteinRx™ and smart contracts platform PharmacyChain™, and Tollo Health, LLC ("Tollo"), a proprietary medical foods and nutraceutical manufacturer, today announced they have jointly entered into a partnership with the National Football League Alumni Association, Inc. through its Alumni Health subsidiary ("NFLAH").

This partnership, supported by DataMEDS' pharmacy-focused subsidiary Corexa Health's network of over 6,500 independent pharmacies, aims to provide underserved and rural communities with increased awareness around healthy living, better access to discounted pharmacy services, improved control over patient data and access to pharmacy-based services and unique products. The campaign will also focus on the launch of a telehealth consumer platform, the Health Lives Here mobile application. The application will facilitate the consolidation of electronic health records data for patients and the integration of wearables data, while producing a streamlined health dashboard for tracking purposes and access to unique products.

"The opportunity to partner with NFL Alumni Health on the launch of the Health Lives Here Platform, which includes development of the Health Lives Here consumer app and building the Health Lives Here pharmacy network, represents a unique opportunity to drive retail customers towards their trusted pharmacist providers in a better way. All of this is with the intention of improving patient access in order with the goal of achieving better outcomes" said Gerald E. Commissiong, Founder and CEO of Tollo Health and Interim Co-Ceo of DataMeds, AI.

DataMEDS and Tollo introduced "Health Lives Here" to pro football alumni members, including pro football legends, during the 2026 Football Hall of Fame Game weekend, in Canton, OH. The media campaign to rollout Health Lives Here to the general population is expected to begin in North Carolina in September 2026. Additional details on the Health Lives Here mobile application, certified pharmacies and staging of the Health Lives Here campaign rollout will be forthcoming in a future communication in mid-September 2026.
