

IDT Express Announces Postpaid DID Solution

NEWARK, N.J., Dec. 10, 2020 /PRNewswire/ -- [IDT Express](#), a leading digital platform provider of wholesale voice and direct inward dialing numbers (DIDs) to businesses, today unveiled a new postpaid billing plan for DIDs. IDT Express clients can now leverage IDT Express' affordable, global DID coverage with unprecedented financial flexibility.

"Demand for virtual numbers is escalating as businesses worldwide leverage the power and flexibility of cloud communications solutions," said Sid Bhutani, VP - IDT Express. "To provide businesses with the DIDs they need for their critical communications applications, we have leveraged IDT's extensive global communications network to create a world-class programmable number service. Now, our DID provisioning platform provides postpaid options to help businesses manage their cash-flows."

IDT Express clients are integrating virtual numbers into a wide variety of business use cases including:

- PSTN replacement numbers for PBX/ Cloud PBX operators
- Programmable phone numbers for UCaaS / CPaaS companies
- Number masking services for ride share companies
- Access numbers for the PIN-less / printed calling card industry
- Affordable calling solutions for prison inmates
- Inbound and outbound numbers for contact centers
- Bundled software and voice for SaaS developers
- International numbers to businesses for CLECs
- A second phone line to consumers globally for software companies
- Program specific numbers for marketing ROI analysis and CRM integration
- Toll-free vanity numbers.

"IDT Express helped to transform the wholesale voice arena when we introduced our convenient, automated platform to provision flexible and affordable voice minutes nearly a decade ago. Now, we are replicating that success with DID numbers to serve customers worldwide," said Peter Broes - IDT Express' Director - Product Management.

IDT Express postpaid DID service is available in 70+ countries and includes IDT Express's full range of number offerings including toll free and mobile. To take advantage of the IDT Express DID product, visit us at <https://www.idtexpress.com/> or e-mail: idtexpresssales@idt.net.
