

The Other Woman: A Listener Discovers Her Husband Got Another Woman Pregnant.**Episode 41: Show Notes.**

On the show today we welcome Geanni, who is here to tell us all about her personal story and how she found out that her husband had got another woman pregnant while they were still married. This sort of situation is understandably distressing, but Geannie has a great perspective on it and offers amazing advice and insight that she has learned along the way. She gives us some of the backstory of how her and her husband got together and the marriage before explaining the period in which the infidelity came to light. She talks about her commitment to the marriage and how they actually managed to get over the issue for a period before the relationship ended. She also goes into her feelings on their relationship currently, how they share a child and the parenting process for her. For all of this and a fascinating interview from Geannie, be sure to tune in!
