☐ Search All Records

1. Entering the Record Number will give you the best results.

Record Number: The application number or permit number.

Record Type: Use the drop down. It provides a list of permit and inspection application types.

Project Name: The name provided by the applicant. It is not tied to anything and is not a good search criteria on its own.

License Type: Use the drop down. The list shown is not the complete list. Scroll down to see complete list.

State License Number: The license number issued by the State of Maryland for Professional Trade contractors. Not all trades require a Maryland State License.

Business Name: The name provided by the applicant for the business.

Business License Number: The number assigned to a business in order for them to operate in Maryland.

2. If the record number is not known, use any of the other fields to create a search.
