Water Contract 1288: Small Water Main Replacement and Rehabilitation in Beechfield, Yale Heights Neighborhood and Vicinity

June 2025

To Whom it May Concern,

Below is the project construction status update.

Work in Progress:

- Water main replacement has been completed on the 400 block of S. Chapel Gate Lane and the 5000 block of Parkton St. All water service connections have been restored at these locations.
- Watermains under rehabilitation have been mechanically lined with a cementitious mortar lining on the 300 block of S. Chapel Gate Lane, the 400 – 500 blocks of Random Road, the 500 block of Coventry St, the 5000 block of Overton St, and the 500 block of Westland Ave.
- Rehabilitation segments listed above will be returned service in the coming weeks
- Roadway restoration has been completed on the 500 – 700 blocks of S. Beechfield Ave, the 4500 – 4600 blocks of Parkton St, and the 400 block of Thornfield Ave
- As all new and rehabilitated mains are returned to service, temporary bypass networks will be dismantled and removed.

Americans with Disabilities Act (ADA) Notice

If an ADA Accommodation is needed during the construction, please contact: Valorie LaCour, DOT ADA Compliance Division, ADA Coordinator
