**Water Contract 1391 – Lower Fells Point Water Main
Replacements**

June 2025

To Whom it May Concern,

Below is the project construction status update.

Work in Progress:

- Final concrete roadway restoration is underway on Fleet St between Broadway and S. Central Ave. Detours and significant traffic modifications will be in place and ongoing on a 24 hour basis as the work progresses. Due to traffic impacts and maintenance of operations at H&S Bakery, crews are working overnight shifts to perform this work. Typical shifts are 7:00 PM to 7:00 AM, Sunday night through Thursday night into Friday morning.
- Motorists are encouraged to seek alternate routes around the work zones to avoid delays.
- Parking restrictions will be in place and strictly enforced on the 1300 – 1600 blocks of Fleet St during the roadway restoration.

Americans with Disabilities Act (ADA) Notice

If an ADA Accommodation is needed during the construction, please contact: Valorie LaCour, DOT ADA Compliance Division, ADA Coordinator
