Water Contract 1387 Various Locations of Rehabilitation and Water Main Replacement

June 2025

To Whom it May Concern,

Below is the project construction status update. Planned Work for June 2025

Work in Progress:

- Installation of new 8-inch ductile iron water main in the 1600 block of Etting Avenue.
- Disinfection and testing of the newly installed water main.
- Transferring of water house connections to the newly installed water mains where disinfection and testing have been completed. You may experience a 30–60-minute service interruption when you are being connected to the new water main.
- Permanent restoration on the 2300 Block of Tucker Lane

Americans with Disabilities Act (ADA) Notice

If ADA Accommodations are needed during construction, please contact
Valorie LaCour, DOT ADA Compliance Division, ADA Coordinator
