Addendum #2

From: Sean Burnett

Date: 10/8/2025

Re: Addendum #2 to Request for Proposals (RFP) 1411

This Addendum #2 is to notify applicants that the RFP for this project was unavailable from September 26th to October 7th due to technical difficulties. The RFP is now available again on eMMA.

Because of this gap in availability, **BCDOT is extending the deadline for this project to October 31st**. In addition, the Q&A period will be open until October 15th.

All other terms and conditions of the RFP remain unchanged. Thank you for your continued interest in partnering with the City of Baltimore on this important project.
