Baltimore, Maryland 21202

Water Contract 1399
Various Locations of Rehabilitation and
Water Main Replacement

July 2025

To Whom it May Concern,

Below is the project construction status update. Planned work for July 2025

Work in Progress:

- Installation of new 8-inch ductile iron water main in the 200 block of E. Patapsco Ave.
- Disinfection and testing of the newly installed water main.
- Transferring of water house connections to the newly installed water mains where disinfection and testing have been completed. You may experience a 30–60-minute service interruption when you are being connected to the new water main.
- Installation of new 8-inch ductile iron water main on West Saratoga Street.
