Water Contract 1387 Various Locations of Rehabilitation and Water Main Replacement

November 2025

To Whom it May Concern,

Below is the project construction status update. Planned Work for November 2025

Work in Progress:

- Completing the tie in on 1600 Block of Etting Ave and Islamic Way
- Installation of new 8-inch ductile iron water main in the 5800 block of Pimlico Rd
- Installation of new 8-inch ductile iron water main in the 200 Block of Stoneyford Rd and Linkwood Road
- Disinfection and testing of the newly installed water main.
- Transferring of water house connections to the newly installed water mains where disinfection and testing have been completed. You may experience a 30–60-minute service interruption when you are being connected to the new water main.

Americans with Disabilities Act (ADA) Notice

If ADA Accommodations are needed during construction, please contact
