

FBLN Review

- Environmental citations included on a Final Bill and Legal Notice are reviewed for notice and legality.
 - **Notice:** whether proper notice was provided by the issuing agency so that the respondent knew or should have known about the citation.
 - **Legality** of the citation: the correct person was cited, the correct property was cited, and/or the citation is valid on its face.
- If notice was properly provided and the citation was legally issued, no changes will be made to the amount due.
- Please provide an explanation below regarding the notice and legality of the citations being reviewed. Include any documentation with your explanation.
- All requested information must be completed for a review to be conducted.
