Note-taking Sheet for Biomes Research

***Each person in your group should have their own sheet!

1. Find a book about your biome in the labeled bin.
2. Look in the **Table of Contents** and/ or **Index** to find sections in the book about **Animals** in your biome.
3. Read about **ANIMALS** in your biome. Take notes and make sketches of 2 different animals below.

YOU WILL USE THIS INFORMATION TO HELP BUILD YOUR BIOME IN INTEGRATED ART.

Sketch:

1.	2.
----	----

1. What **adaptations** does this animal have?

2. What **adaptations** does this animal have?
