I understand that the Library will arrange to have additional copies of my independent study bound as requested above, exactly as they are received, and that the Library cannot be responsible for incorrect pagination, pages out of order, poor photocopy or paper quality, etc. I have examined the photocopies I am asking to have bound before leaving them with the Library.

I understand that my personal copies must be picked up within 3 months of notification, and that the Library will not hold them beyond that time.
