Wednesday, February 27, 2019

Rima Dababneh, MD & Andie Athanasatos, DO
Pediatric Residents

University of Florida College of Medicine-Jacksonville

Topic: Media Use and the Young Mind: Adapting to an Ever-Changing Digital Landscape

Objectives: At the conclusion of this session, the participant should be able to:

1. Review the most recent AAP recommendations regarding media use in children.
2. Describe how to achieve comfort in counseling families on the health and developmental repercussions of excessive media use during childhood and adolescence.
3. Discuss how to assist families in creating personalized media use plans and establishing reasonable limitations with regard to screen time.
4. Utilize evidence-based information to support caregivers as they choose toys for their children.

Disclosure: Dr. Dababneh and Dr. Athanasatos have disclosed that they have no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose.

Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>.

Accreditation: The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The University of Florida College of Medicine designates this live activity for a maximum of *1.0 AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Section #9135 (Live), 9136 (Livestream), 7122 (Enduring)
