Livestock Weighted Average Report for 5/22/2020 - 5/28/2020

LIVESTOCK SUMMARY

	Current Week	Last Reported 5/18/2020	Last Year
Total Receipts:	1,195	3,172	
Feeder Cattle:	1,195(100.0%)	3,172(100.0%)	0(0.0%)

Only 1 reported auction this week, too few offered to allow any price comparisons to be made. Moderate to good demand for what was offered. Best demand remains on those lightweight cattle that can be backgrounded, much more moderate demand on cattle bound for finishing yards. Cattle feeders continue to have a very tough time getting their market ready cattle sold as many report they cannot even get a bid. Cash fed cattle reached 120.00 live and 190.00 dressed however that volume is very limited. This report will not be released again until the late summer/early fall marketing season for feeder cattle begins. Supply included: 100% Feeder Cattle (50% Steers, 50% Heifers). Feeder cattle supply over 600 lbs was 88%.
