Prices represent open (spot) market sales by first handlers on product of generally good quality and condition unless otherwise stated and may include promotional allowances or other incentives. No consideration is given to after-sale adjustments unless otherwise stated. Reported prices generally include, but are not limited to, applicable brokerage fees and commissions, Customs fees and duties, U.S. packaging and U.S. freight costs prior to first sale, paid by the shipper/seller. ## Basis of Sale Definitions:

The buyer shall have the right of inspection at destination before goods are paid for to determine if the product shipped complied with the terms of the contract or order at time of shipment, subject to the provisions covering suitable shipping conditions.

**Delivered Sales, Shipping Point Basis** - This means that the product is to be delivered by the seller on board the car, truck, or on the dock if delivered by boat, at the market in which the buyer is located, or at such other market as is agreed upon, free of any and all charges for transportation or protective service.
