Multiple consignments of reputation replacement heifers were offered in multiple loads, up to 6 loads in the same sort. Bigger background cattle destined for the finishing yard were in very good demand with multiple consignments offered in multiple loads, with two consignments of 9 loads of the same sort. Flesh conditions ranged from light fleshed cattle that had been turned out on pasture to moderate plus coming out of a grow yard. A very active market on all classes of cattle with internet buyers competing with the order buyer and farmer feeders that were in attendance. Best demand was on the light fleshed cattle suitable for summer grazing operations. Much needed moisture in the area has been very welcomed by producers as prospects for summer grazing is greatly improved, with more moisture forecasted for the weekend. Cattle on feed report this afternoon came out about as projected. Have a good Memorial weekend and Thank You Veterans for your service.
