The last reported sale was three weeks ago, so a comparison can not be made. Very nice offering of lambs today, with several large lots from a single producer, sold on good demand. Lots of buyers and producers in the stands, and several buyers participating on the internet. Warm weather has set in, in the area, and the fields are starting to show the heat, but the hay crop is still looking good. The next sale is August 21, and is a regular sheep sale, selling all classes. Supply included: 92% Feeder Sheep/Lambs (100% Lambs); 8% Slaughter Sheep/Lambs (98% Ewes, 2% Bucks).
