Last feeder sale was two weeks ago, not enough feeder cattle to make price comparisons. There was higher undertones noted on most classes. Feeder cattle were off grass and in light to medium flesh condition. Mostly tested open replacement heifers with one larger consignment of steers. Order buyers competing with internet buyers made for an active market. Very good demand throughout today's auction as most cattle were offered as packages, just a few full loads available. Next feeder sale is scheduled for Friday, August 29, 2025. Supply included: 100% Feeder Cattle (44% Steers, 56% Heifers). Feeder cattle supply over 600 lbs was 86%.
