Heifers over 600 lbs sold 2.00 to 8.00 lower except preg tested open heifers sold steady. Demand was moderate to good, instances very good on some yearling steers heading East to out-of-state feedlots. Demand was moderate to good for bred cattle. Big cooldown in temps after the Labor Day weekend with some morning lows in the 40's. Few areas might have had some frost in the low ground of the state. Brr. Too early for cold weather but it does feel like fall in the air. Silage choppers are getting into full swing of harvest and other crops will maturing and harvest around the corner for those feedlot commodities. Hay producers continue to struggle to get top quality hay produced in large areas. Area feedlots saw a little downward trend to the market as live sales sold 2.00 to 3.00 lower from 242.00 to 243.00 and dressed sales sold 2.00 lower at 383.00. Supply included: 93% Feeder Cattle (54% Steers, 45% Heifers, 0% Bulls); 6% Slaughter Cattle (100% Cows); 1% Replacement Cattle (100% Bred Cows). Feeder cattle supply over 600 lbs was 96%.
