Livestock Weighted Average Report for 9/8/2025 - Final

AUCTION

	This Week	Last Reported 8/25/2025	Last Year
Total Receipts:	3,339	2,145	0
Feeder Cattle:	3,339(100.0%)	2,145(100.0%)	0(0.0%)

Compared to two weeks ago: Few comparable sales of feeder steers and heifers steady to firm considering flesh condition. A nice offering of spring born calves, these sold readily as there were plenty of buyers on the seats wanting these light calves, very good demand. A large offering of yearling steers and heifers, many long strings offered in full loads and multiple load lots. Very good demand for yearlings. Flesh condition was mostly moderate to heavy, few light fleshed. The yearling trade was active as the cash fed cattle market continues to hold in the 240s and there is great interest in refilling empty pens quickly while the yearlings are available. Supply included: 100% Feeder Cattle (46% Steers, 52% Heifers, 1% Bulls, 1% Beef/Dairy Steers). Feeder cattle supply over 600 lbs was 85%.

FEEDER CATTLE**STEERS - Medium and Large 1 (Per Cwt / Actual Wt)**

Please Note:

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.
